## ministry leadership

"I know I am a peer minister when I look into a person's eyes while they are talking to me and I understand."

— Joe - HS youth

"I realized that no matter who you are or what you do it is your responsibility as a human and a Christian to be there for your friends even in the worst of situations."

—Steve - HS youth

"This training makes ministry fun, approachable, understandable but most of all doable"

—Emma HS youth

### Life?

You have friends facing tough choices, changes, and life stresses. As one youth recently said, "*I'm very good at pretending everything is fine.*" People should not have to go through life's *icks* alone!

### Real Friends?

Friends are people who can be trusted, who know when to listen, how to ask the right questions, can guide without *shoulding-on* others with easy fixes. Friends are willing to walk in when everyone else seems to be walking out.

### Peer Ministry?

It is about the practical life skills that empowers you to become Good Samaritan leaders who care for every neighbor every day, everywhere and in every relationship. Peer Ministry is about *loving because God first loved us!* — I John 4:19

### Training?

The results are so worth it! Expect highly experiential real life people skills learning together with the wisdom of each other. No smoke machines or laser lights, no lectures or power points. Creatively learn a skill and then practice the skill in real heart-to-heart conversations. You will leave with the confidence to be the real friend every one needs.

**OUR CHURCH NEEDS YOU!**
